Migration agents and education agents have been taking a pounding in the press lately. Unfortunately in any professional group there are people who act unethically or give advice that is misguided or just plain wrong.

### **That is not how we do business! You can rely on our advice, based on fourteen years of experience! Now is the time.....for Skilled applicants for immigration to Australia**

Who could get their Permanent Residence by investing \$100,000 to TAKE ACTION. This window of opportunity for immigration to Australia SLAMS SHUT at the end of October 2009. Talk to us NOW.

*\*Many clients have invested the \$100,000 through us this year and RECEIVED THEIR VISAS!*

### **Now is the time.....for overseas students looking for immigration to Australia**

- To find out if the course they are studying will lead to a successful application for immigration to Australia.
- To find out if they will get enough points to meet the pass mark for skilled immigration to Australia when they finish their course.
- To find out what to do if the answer to either question is "NO".

#### ***With expert advice there is a solution to most problems.***

*\*Amy finished her course but was two weeks short of meeting the two-year study criterion for a Skilled application. Was there a solution to her problem? YES.*

*\*Venkat was enrolled in a Diploma course by the overseas education agent. Worth only 40 points. A friend brought him to David. Was there a solution to his problem? YES.*

### **Now is the time.....for Skilled Migrants from Overseas**

- To find out their options for migration to Australia
- To find out what needs to be done before an application can be lodged for them
- To find out approximately how long the processing will take from the beginning
- To find out if they will get enough points to meet the pass mark now, or what they can do to meet the pass mark later.

***David Coote will give one of three answers if you bring him a detailed resume: YES, YES if you do the following....., NO.***

*\*Yu Ching had a Bachelors degree in Business (no accounting subjects). Worth 50 points. Would not reach the pass mark. Was there anything she could do to meet the pass mark later? YES.*

*\*Miguel was keen to apply for State-sponsored migration. But his occupation was not on the list and he was over 40 years of age. Anything he could do? Find employer sponsorship, otherwise NO.*

### **Now is the time.....for lovers to join their partners in Australia**

- How long do you have to be living together before applying?
- What sort of evidence do you need?
- What happens if you are not divorced from your previous partner?
- What happens if you have children from a previous relationship?
- What if you do not have a valid visa?

*\*Dolores had the last three problems. Could David help? YES.*

### **Now is the time.....for 457 visa holders to find out how to get Permanent Residence**

- Could you apply for Skilled Migration?
- Could you apply for Permanent Residence under the Employer Nomination Scheme?
- If your family are still overseas, could you include them in a Permanent Residence application?
- Would you have to do skills assessment? What level of English would you need?

***David Coote will give one of three answers if you bring him a detailed resume: YES, YES if you do the following....., NO.***

*\*Sanjay had been in Australia for three years on a 457 visa. He was over 45 years of age. Could he apply for Permanent Residence? YES.*

*\*Damien had just arrived in Australia on a 457 visa. Could he apply for Permanent Residence straight away? NO. One year later? YES.*

### **Now is the time.....for Australian families to see if they can sponsor their parents here from overseas.**

- What are the criteria?
- How much will it cost?
- If there is a son or daughter still living at home, can they be included?

*\*Not their real names (To protect their privacy).*
